**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition in the broadband market is key to it's success, to the success of any market.
Do not restrict consumers to one or two providers, who will then have full control of pricing,
and can raise rates with no consequences.

As it is we are stuck with AT&T for our DSL line, which is way over priced.

We need more competition not less
